

MILLION BUSHEL OF ARGENTINE CORN SENT TO PEORIA MARKETS

FAST AMOUNT OF DUTY FREE PRODUCT COMING TO THIS STATE.

IS GROWN BY CHEAP HELP

Illinois Corn Growers See Trainloads of Imported Grain Pass Doors.

Argentine corn, placed on the free list by the Underwood tariff bill, is reaching Peoria in large quantities. Chicago received advices that a consignment received yesterday by the Miller Grain company of Peoria is the advance shipment of a total that will amaze grain producers and others interested in the grain market at Peoria, the center of the corn products manufacturing.

Political managers received word of the dumping of Argentine corn on Peoria elevators before the regular report came through industrial channels. Central Illinois farmers, past whose front doors the Argentine corn trains traveled toward the Peoria distilleries, were the first to sound warning.

Million Bushels Already Here. Information in Chicago last night was that over 1,000,000 bushels of Argentine corn had already reached the markets of the corn belt and that an unbelievably large quantity is on its way.

The story is that practically all shipping of the country is being used to transport corn from the Argentine to New Orleans, where it is transferred to trains for Peoria. In order to handle the tremendous corn traffic expected as long as the Underwood tariff law is on the books, large elevators are being erected at New Orleans.

Appeal From New Orleans

C. F. Sanford, superintendent of public grain elevators at New Orleans, is sending out a circular letter advising commercial interests of the capacity of elevators already built to handle this product.

"The intent of this is to advise you of our facilities for handling import grain in bulk. With the possibility of importing Argentine corn, I believe you will find it greatly to your advantage to look into this matter.

"The fact that we are equipped to handle import grain in bulk will, I believe, mean a saving of several cents a bushel over the present method of handling in sacks. At present we can unload from vessels in bulk 60,000 bushels a day, and will add to this as much additional capacity as the business justifies."

View of a Chicago Man.

"The immense preparations made to handle the Argentine corn shipments clearly indicate that it is not anticipated the duty on corn will be revived, and it also clearly indicates the tremendous extent of the shipments expected," a Chicago man said yesterday. "With a capacity of 60,000 bushels per day the facilities for handling are unlimited.

"Argentine farming conditions are different from those of the United States. The Argentine country is divided into large estates, farmed on a large scale. The proprietors of these farms import American machinery and operate the farms with cheap labor, imported from southern Europe. It is the kind of competition that the American farmer will be unable to meet without a marked loss under American conditions."—Chicago Tribune.

ASHTON PEOPLE WILL HAVE BIG G.O.P. MEET

CONGRESSMAN-AT-LARGE CHIPERFIELD WILL BE PRINCIPAL SPEAKER.

ASHTON WAS BOYHOOD HOME

The people of Ashton anticipate one of the greatest political meetings of the campaign in Lee county next Monday evening when Congressman-at-Large B. M. Chipperfield will be the principal speaker. Mr. Chipperfield is an orator of unusual ability, and in addition the people of Ashton feel an especial interest in him inasmuch as that village was at one time his home. Mr. Chipperfield's father was formerly a minister in Ashton and the present congressman spent much of his boyhood there.

Therefore he is due for a rousing reception. The meeting will be held in the high school building, and in addition to the address by the speaker of honor there will be talks by States Attorney Edwards, John H. Byers and other Lee county campaigners, with music by the Ashton high school glee club.

CINEMATOGRAPH FOR NO. DIXON SCHOOLS

MOVEMENT TO SECURE MACHINE STARTED AT MEETING TUESDAY.

BY POPULAR SUBSCRIPTION

A moving picture machine for the North Dixon schools, to increase the already excellent educational facilities, is in prospect as a result of agitation started at the meeting of the Parent-Teachers' association at the school Tuesday evening. It was pointed out that such addition to the school equipment would be of great benefit, inasmuch as many high class educational films are now being produced, and a committee, composed of E. S. Rogers, Mrs. L. E. Edwards, Mrs. Adolph Eichler, Mrs. E. B. Raymond and Robert Fulton was appointed to undertake raising the money for the outfit.

The funds of the schools are so appropriated that no part of the necessary expense for the machine can be obtained there, but it is believed that there are enough public spirited citizens in North Dixon to contribute at least \$100 of the \$180 needed for the machine. If this can be done the manufacturers will send a machine and allow its use for three public entertainments, through which it is believed the remaining \$80 could be secured.

FRENCH SWEEPED FOE BEFORE THEM LIKE STRAW BEFORE WIND

ATTACK WAS BIGGEST SURPRISE OF WAR—BRILLIANT MANEUVER.

GAINED IN VERY FEW HOURS

What Germans Had Devoted Months To Gaining—Tenton Line "Burst."

(Associated Press)

Paris, Oct. 25.—The French attack on Verdun apparently took the Germans by surprise. Not at one point did the Germans succeed in stopping the rush. In hours the French recaptured what it had taken the Germans many months of patient effort to gain.

Germans Swept Away.

Germans on the right bank of the Meuse were literally swept away for a distance of four and a half miles like straw before the wind. The French struck like lightning as a result of one of the most brilliant operations of the campaign. The French swept over trench after trench, capturing many prisoners.

Say Line "Burst"

It is believed the French loss was slight. The official statement says the German line "burst." The attack was planned ten days ago and delivered in four columns of a division each. As each advanced it met slight resistance and went beyond the objective.

The Germans held Fort Doumont and refused to surrender. A stiff struggle ensued and nearly all the defenders were killed.

Retreat Continues.

Petrograd, Oct. 25.—The Russians and Roumanians have evacuated Tchernavoda in Dobrudja and the Lake Tachaul position, 12 miles north of Constanta, the war office stated today.

Berlin Admits Loss.

Berlin, Oct. 25.—The war office announced that an attack on the Verdun front by the French yesterday gained ground for them. The office also says French assaults on the Somme front were without success.

The statement says Tchernavoda on the Roumanian front has been captured, driving the Russians and Roumanians from their last railroad communication with Dobrudja. Von Mackensen's forces are pursuing the enemy.

Heavy Casualties.

The total casualties of the Russian army since June 1 are placed at 1,797,522, according to a semi-official news agency report.

Important Junction.

Paris, Oct. 25.—An official report announced an important military move in the Balkans where the Italian cavalry in southern Albania has formed a junction with other troops giving the entente an unbroken front of 250 miles across the southern Balkan peninsula from Alvona to the mouth of the Struma river.

DENY GIRL WANTS GUY O'BRIEN FREED

IDA TORKELOSON WILL BE WILLING WITNESS AGAINST FORMER LOVER.

Aurora, Oct. 25.—The Kendall county grand jury which yesterday took up the case of Guy O'Brien who twice shot his former sweetheart, Miss Ida Torkelson, will not report until next Monday. States Attorney Burkhardt today said no indictments will be returned until Monday.

The states attorney said: "The story that Miss Torkelson did not want O'Brien punished is not true. She has insisted all along that he be prosecuted. And if he is indicted she will be a willing witness."

Atty. N. J. Aldrich will defend O'Brien, if he is indicted. Attorney D. Harvey Gunsul, who represented Tony Petras in the Hollander murder case, will assist States Attorney Burkhardt.

CHANGES IN NORTH DIXON SCHOOLS SEEN

PATRONS PLEASINGLY SURPRISED AT EXTENT OF THE IMPROVEMENTS.

PARENT-TEACHERS ASSN. MET

Over 100 teachers and patrons of the North Dixon schools attended the meeting of the Parent-Teachers' association Tuesday evening, despite inclement weather, and thoroughly enjoyed the entertainment which had been arranged. Addresses were made by Rev. E. C. Lumsden, pastor of the M. E. church, and Prof. H. H. Hagen, superintendent of the North Dixon schools.

Following the program the buildings were thrown open for inspection. Great surprise was expressed in the many changes wrought since last year. The four large rooms had been subdivided into eight smaller ones, and the halls at the extremities of the building eliminated, making the building safer in case of fire. New windows were cut, increasing the light for study more than five times. This change alone will mean that ocular troubles among the pupils will be reduced to a minimum.

A new steam heating plant has been installed and the attic of the building has been converted into a kindergarten and play room for the younger children. The high school assembly room has been enlarged and altogether the building is modern and a complete improvement upon the former arrangement.

POLICE DISCOVERED MOST IMAGINATIVE MIND IN THE CITY

FOURTEEN YEAR OLD LAD TOLD STORY WHICH SHOWS GREAT "DREAMS."

SAID HE HAD BEEN DESERTED

Boy Stuck to Story His Uncle Had Driven Him Here, Then Left Him.

When B. F. Snyder on his day down town early this morning discovered a little fellow asleep in the stairway leading to the second floor of the Telegraph and Shaw & Morrison buildings, he found the possessor of the biggest imagination in Dixon, according to the belief of the local police. For six hours the lad, who said he was but 14 years of age, kept the authorities of the city busy looking for a supposedly hard-hearted uncle who had brought him here from Oregon Tuesday morning and had left him alone, without dinner or supper, and had finally deserted him, leaving him to sleep in the rain and cold. At noon, after incessant work, the authorities learned that the boy lives within fifty feet of the stairway where he was found asleep.

Told Sad Story.

To Mr. Snyder and the police the lad said his name was Thomas O'Connor, that he lived with his mother and step father in Chicago and has been visiting an uncle, Robert O'Connor, whom he said lived half a mile east of Oregon, for two weeks.

Early Tuesday morning, the lad said, his uncle had driven him to Dixon and after putting the horse and buggy in a feed shed, and left him, saying he would be back before noon. The boy, looking his questioners in the eye, said his uncle had not appeared and that he had gone without dinner or supper.

Lives Within Block.

As a result telephone wires were kept busy between Dixon and Oregon and at noon it was learned the boy is a step-son of Lloyd Heistand, employed in a Dixon garage. Further investigation showed the boy had fabricated his whole story and that the only truthful feature of it was that part telling of his sleeping in the stairway all night. From his mother the officers learned the boy had run away similarly several times.

LEE CO. TEACHER HAS ARTICLE IN JOURNAL

Miss Hazel Hartzel, formerly the teacher of Pine View school, near Franklin Grove, is receiving the congratulations of her friends because of an excellent article on "Handiwork in the Rural Schools" published in the current issue of Industrial Arts, a widely-read periodical. The article by Miss Hartzel, who has been an instructor on that subject before Lee county teachers' institutes, is well prepared and is nicely illustrated with pictures of the work as done by the young lady's school.

STORES MAY CLOSE FOR FOOT-BALL GAME

DIXON VS. STERLING CONTEST FRIDAY AFTERNOON PROMISES TO SET RECORD.

ENTHUSIASM IS RUNNING HIGH

In all probability nearly every business house in Dixon will close during the Sterling-Dixon high school football game Friday afternoon, demonstrating to the hundreds of teachers who will be in attendance at the annual institute of the Western Division of the Northern Illinois Teachers' association that Dixon people are boosters for their schools.

The young men who have been canvassing the merchants seeking their assistance in making the afternoon the biggest football day in the history of Dixon have met with wonderful success, it is announced, and are being shown substantially that Dixon people are with their dandy football team.

Beyond all doubt, if the weather is favorable, the afternoon will set a new record for football enthusiasm here. The Chamber of Commerce band has been engaged to play before and during the game and a parade of the Dixon and Sterling teams and hundreds of Dixon students will be a feature of the afternoon.

DIXON HIGH SCHOOLS AFFECTED BY RULING

HIGH SCHOOL TUITION LAW IS DECLARED INVALID BY THE SUPREME COURT.

FEES PAID FROM STATE FUND

Springfield, Ill., Oct. 25.—The high school tuition act passed by the legislature in 1915 is declared unconstitutional in a decision handed down today by the state supreme court.

The act provided for payment by county superintendents out of the state school fund for the tuition of pupils for whom no high school facilities are provided in their home townships.

The case was brought by the board of education of school district No. 118 in Vermillion county against Otis P. Haworth, county superintendent of schools, to restrain him from paying certain funds, as provided by law. It was dismissed by the lower court on demurrer by the defendant. The high court reverses this decision and remands the case for further proceedings.

Many cases pending in the lower courts are affected by the decision.

Of Interest Here.

The above decision is of great interest to the Dixon high schools as each has a number of students from outside the districts who are enrolled as students and whose tuition has been paid in accordance with the law which is declared invalid.

FOR INTER-FACTORY CONTEST

Plow Shops and Shoe Factory Will Meet in Y. M. C. A. Gym.

A meeting of the basketball and volleyball players who are employed at the Grand Detour plow shops and the Brown shoe factory was held at the Y. M. C. The first contest will be played Friday evening, and the Dixon Mandolin club will play during the affair.

Lawrence Martin of Gap Grove was in town today.

ROOSEVELT MAY SPEAK HERE AT C.&N.W. DEPOT

EX-PRESIDENT'S TRAIN TO STOP HERE AT 11:20 A. M. TOMORROW.

EXPECT BIG CROWD AT STATION

Distinguished Hughes Booster Will Be Greeted By Enormous Audience.

Ex-President Theodore Roosevelt, leader of the Progressive forces four years ago, who is this year a staunch supporter of Charles Evans Hughes, the republican nominee for the presidency, in whose interests he has just made a tour of the west, will be in Dixon tomorrow morning at 11:20 o'clock and will in all probability give a short talk from the platform of his private car "Boston" which will be attached to passenger train No. 10.

The distinguished Colonel has just made thousands of votes for the republican national ticket in his tour of the southwest and west and is en route to Chicago where he will speak tomorrow evening.

Chairman Harry Warner of the Lee County Republican Central committee this morning wired the Colonel aboard his train at Ft. Morgan, asking him to speak a few words here, and in case a reply is not received he will go to Sterling tomorrow morning, meet the train and press his request personally on Mr. Roosevelt.

Inasmuch as the ex-President is not an unwilling speaker and is doing his level best to elect Hughes, it is safe to say that the big crowd sure to be at the depot tomorrow morning will not be disappointed.

"CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

Best for liver and bowels, for biliousness, sour stomach and constipation.

Get a 10-cent box now. Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step of untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

LOCAL ORPHANAGE IS REMEMBERED IN WILL

NEBRASKA WOMAN LEFT \$500 TO NACHUSA LUTHERAN HOME.

Dr. Altman, pastor of St. Paul's, has received word that the will of Mrs. Mary Sprick of Fontanelle, Neb., was probated recently and in connection with other legacies she bequeathed \$500 to the Nachusa orphanage of near this city.

Mrs. Sprick, with her husband, came to this country from Germany over 50 years ago and settled in Nebraska, where they were prosperous. Mr. Sprick died a few years ago and beside leaving his wife a comfortable bequest, gave much to charity. Mrs. Sprick, in her will, followed his example and gave liberally to various boards of the Lutheran church. \$4,000 was given to the college and seminary of the church at Atchison, Kas., and the various missionary boards, etc., of the state were remembered with gifts of from \$500 to \$2500. It is because of Mrs. Sprick's interest in the work of the Lutheran church and because of no especial interest in Dixon, as she never lived here, that the Nachusa orphanage received the bequest.

OLD-TIME COLD CURE—DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold. Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore, safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

"St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; cures sciatica, lumbago, backache, neuralgia, etc. Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

URBANA, ILL., YOUTH BOASTS OF CRIMES

Tells Officials of Exploits in Passing Bad Checks.

Chicago, Oct. 25.—John Kenneth Carnes, nineteen years old, Urbana, a former freshman at the University of Illinois, was taken into custody in the State Bank of Evanston when he tried to cash a check for \$12, the officials said.

Fred Eklund, a bank policeman, grasped him and turned him over to the Evanston police.

Rather boastfully young Carnes declared that his worthless check passing activities were not confined to Evanston. He named numerous cities from coast to coast in which, he said, he has fleeced merchants, out of money by means of bogus checks.

GERMANS MEET TO HELP HUGHES FIGHT

Not All Are in Favor of Race Injection in Politics.

Milwaukee, Wis., Oct. 25.—Three hundred German Protestant pastors and laymen from all parts of Wisconsin, sitting in executive session less than twenty-five feet from the Republican state campaign headquarters in the Republican house, were urged to take an active hand in the campaign to elect Charles Evans Hughes as president of the United States.

The meeting was held under the auspices of the American Independence conference, of which G. H. Jacobson of Chicago, is treasurer.

Another session will be attended by the Catholic clergymen of pro-German leanings. However, all Catholic priests of German descent will not attend the meeting.

One protest has already been made. Affronted by this attempt to draw his church into this movement, and indignant at the offer to pay the expenses of his participation in the work of political organization, and that upon a racial and religious basis, the Rev. James J. Oberle, a German Catholic priest of German blood and in charge of a German Catholic parish at New Coeln, Wis., sent a pointed telegram asking Charles E. Hughes to define his own position with regard to this remarkable political movement.

Take Nobody's Say-so—Your Nose Knows

It's your taste that has to be pleased. What suits another man may not suit you. Why take other people's say-so? Why try first one tobacco and then another when your nose knows—in a minute—just which is your tobacco.

Make this test—it never fails. Rub a little TUXEDO between your palms, long enough for the friction to bring out the full aroma—then hold it up to your nose. Put other tobaccos to the same test. Only one—TUXEDO—will come through it satisfactorily—convincingly. Only one—TUXEDO—has the volume and sweetness and fragrance that prove supreme flavor, mildness and satisfaction.

Make the test. Then smoke TUXEDO—all you want—all day long. You won't be disappointed. There won't be any come-back—your nose knows.

THE YELLOW CAMPAIGN.

The Chicago Tribune says editorially: There would be less talk about the good Mr. Wilson's having "kept us out of war" if there were more thought of Mr. Wilson's acts and less vague sentimental acceptance of his fine words.

Mr. Wilson did not go to war with Mexico—except, of course, for two wars, one against Huerta and the other against Villa, and the perennial defensive war to protect our own borders, the last being the most disastrous of the three. But Mr. Wilson did intervene when he said he would not. He did sacrifice our own troops to obtain a salute—which has not yet been received. He did sacrifice our citizens' lives and property when his pre-election boast, recorded in the platform, was that American lives and property wherever they might be entitled to full protection. He did remove the embargo which has been in effect since early in 1912 and permit to go to the bandits millions of cartridges and guns which killed our citizens. He did make impossible the continuance of the only government which ever attempted to protect Americans. He did bow before every mandate from the bandit leader under whom Americans have suffered more than under all others. He did bluff and bluster—and back down when Carranza blustered in turn.

Weakness and fear never protected any man or any woman or any nation from attack.

In this record what was there to make any European nation believe that Mr. Wilson ever meant what he said? What was there to suggest to a single European prince that he in turn could not treat the United States as a negligible military power? Huerta had spat on our flag; Villa had raped our women; Zapata had murdered our men; Carranza had attacked and routed our own military. Mr. Wilson, according to his inspiring speech of the other day, is "ready to fight when there is something worth fighting for." To quote once more from Pasqual Orozco, "In God's name, what will make an American fight?"

This was known to every ruler of Europe and Asia. Every one of them knew that as long as Woodrow Wilson remained at Washington the United States would serve as the international doormat. And they began acting accordingly.

They did not act so with Switzerland, which is completely surrounded with the warring nations. They did not act so with Sweden, nor with Denmark, nor with Holland, each of which is in the very path of the moving hosts.

For the insolence of Europe, expressed on land and on sea, one man is responsible. That man is Mr. Wilson, whose refusal to assert American rights in Mexico set a record which could not win respect from any power.

In this record abroad what was there to make any American labor leader believe that Mr. Wilson ever meant what he said? What was there to suggest to the railroad brotherhoods that they could not over-awe a president who had already turned both cheeks and, in the words of a weekly commentator, revising Nathan Hale's words—regretted that he did not have a thousand cheeks to turn for his country? Mexico and Europe alike had proved that an attitude of bluff and backdown could be routed by quick, imperious action. This action came from the brotherhood leaders, and again Woodrow Wilson capitulated rather than risk a conflict.

For the insistence of a small faction in the great army of American workmen—who by higher rail rates will help to pay that wage increase—one man is to blame. That man is Woodrow Wilson, whose whole past behavior in Mexico and in Europe has shown that he was a man who talked always but would not act.

The boy who runs from a fair fight makes his own reputation, and ultimately he is forced into an unfair fight from which he is unable to escape. The boy who is too proud to fight is, in Col. Roosevelt's accurate words, just about proud enough to get kicked.

The president who built up our reputation as the international calf is the president who has encouraged every vigorous nation in the world to chase the calf. The president who maintains a vague sort of "peace" is the president who pushes us irretrievably toward a positive sort of war, a disastrous sort.

It is time for the voter to realize that a vote for Woodrow Wilson is a vote to put himself eventually in the trenches in a war we cannot escape, and for which Woodrow Wilson has for three years prevented us from preparing.

WOMEN TURNING TO HUGHES.

Miss Harriet Vittum, Western Manager Republican Women's Work, returned to her Chicago office in the Conway building yesterday from a tour of the state. Miss Vittum is delighted with the way things look throughout the state. She is confident that the women's vote will be heavy and that it will go strong for Hughes. In talking the situation over, she said:

"Every day things look better for the republican ticket. I think we are gaining everywhere. Many women were talking for Wilson because of the democratic slogan, 'he kept us out of war,' but the more the women think that over, the more clearly they realize how absurd it is. They realize that the policy pursued has nearly rushed us into war instead of keeping us out of it. And now that our soldiers have come back from the Mexican border and the truth regarding conditions down there is being told everywhere, women begin to realize that all that border country is in a state of war. The peace idea does not bear much discussion among people who know. We have been at war for months, or if you will call it peace, it is a shocking peace."

Miss Vittum spoke at Biggsville, Lewiston, Canton, Galesburg, Bloomington, Peoria and Joliet. Everywhere she found women enthusiastically organizing to pile up votes for Mr. Hughes.

Keeping Yourself Well

HOW YOU GET SICK

Sometimes you overload your stomach with rich foods. Your life may be an active one, and thus you may care for all you eat. But a few days of inactivity show your system does not call for so much. You wake in the morning tired. Your body feels heavy. You know you are not up to the mark. Your digestion has not cared for the overload. Part of it remains. It generates gas that inflames the delicate linings. They fail to pour out the digestive fluids and neglect to absorb the life-giving elements. You know something is wrong. Your body gets weak, and soon opportunity is offered for some severe illness.

Taken in time, the indigestion would not become serious. First remove the overload; then soothe the sore membranes; then build up the weakened body. It's simple to say, but not easy to do. You need help. A tonic that will quicken digestion, help remove waste, soothe the soreness and arouse the system—that's just what you need.

Peruna has an enviable record in this respect. It has aided many thousands in the last century to overcome just these conditions, and thereby prevent serious sickness. The tablet form is convenient for regular administration.

Mananin Tablets are the ideal laxative and liver tonic. They have no unpleasant effects and form no habits. 10c and 25c. The Peruna Co. Columbus, O.

Pageant Before Game

Friday afternoon will witness the greatest demonstration of high school spirit ever staged in Dixon. At that time the North and South Side high schools will unite in forming a unique pageant which will exhibit to the people of Dixon and advertise among the many visiting teachers their loyalty and boosting spirit.

The exact nature of the stunts which the various classes will present the students firmly refuse to divulge. Each class is trying to outdo every other and especially keen is the rivalry between the students on either side of the river. Elaborate preparations are being made by the boys and girls. All Dixon is corseted, which will consist of everything from the Chamber of Commerce band to Sterling's goat which the Dixon rooters feel that they already have "gotten."

The parade will form at 2:30 on Friday afternoon and will proceed through the downtown streets to Athletic park where the Dixon team will meet its old rival, Sterling, in what promises to be the greatest football game of the season.

At Home of Uncle

Mr. and Mrs. Harry Snider of Marshalltown, Ia., are here visiting at the G. H. Snider home on West Second street. Mr. Snider is a nephew of G. H. Snider.

Severt-Schnellbach

On Wednesday, October 25th, at 10:45 o'clock at St. Paul's Lutheran occurred the marriage of Miss Esther May Schnellbach and Mr. George B. Seybert, Jr., Rev. F. D. Altman read the service, using the ring ceremony. The wedding was quietly solemnized with but the near relatives present.

The bride was charmingly gowned in a handsome dark brown tulle as suit, the material that of her mother's wedding dress. With the suit was worn a white Georgette crepe waist and a picture hat of tan, with all the other costume accessories in keeping. Mrs. Seybert is the youngest daughter of Mrs. Ella Schnellbach of this city, and has always made Dixon her home, where her sweet dignity and gracious manner have endeared her to her many friends. Mr. Seybert is the second son of Mr. G. B. Seybert, Sr., of South Dixon, and is a young man of energy and ability. He is employed with the Brown Shoe Company of this city.

Mr. and Mrs. Seybert left on the noon train for Chicago, where they will spend their honeymoon with the bride's sister, Mrs. H. A. Stackpole, and with other relatives. They will be at home after November 1st, at 323 N. Dixon Avenue.

Birthday Surprise

A number of Dixon people, including Mr. and Mrs. George Kreitzer, Mrs. Lena Katbleisch, and Leonard and Dick Kreitzer, were present at a very enjoyable birthday surprise Monday evening, with Foster Mattern of Franklin Grove as the surprised. Although the rain started soon after the arrival of the thirteen guests, it didn't interfere with a good time even if it had something to say in regard to their return home. Rhum was the diversion, until the hour for the birthday luncheon when a mammoth birthday cake with candles, blown all out in one whiff by Mr. Mattern, was brought in and created a good deal of amusement. Of course other luncheon good things were served. Mrs. W. J. Bunch of Peoria was also a guest.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

THAT BACKACHE SPELLS DANGER

Action Today May Save Dixon People Future Misery

A bad back isn't a bad thing if it serves as a warning of hidden kidney disorders. Kidney diseases are frightfully common today. We overdo too much. We don't give the kidneys a chance to rest up, and while a bad back, some urinary disorder or occasional dizzy spell or a persistent headache may be the only outward sign, the kidney trouble that is hidden in all may be overlooked or neglected. Put your signs to use. Take them as warnings. Fight off kidney weakness. It takes only a slight kidney disorder to start a case of fatal Bright's disease, from which 100,000 people in the United States every year promptly treatment at first—that's all that's necessary to keep kidney weakness from turning into gravel, dropsy, gout, heart trouble or Bright's. Use Doan's Kidney Pills—the oldest the most widely used, best recommended Kidney Pill Forty thousand Americans recommend them publicly. Here's one Dixon case:

Mrs. J. Caritey, 511 Spruce street Dixon, says: "My back was so sore that I couldn't wait erect and morning it was hard for me to get out of bed. Various medicines didn't benefit me and when a friend recommended Doan's Kidney Pills, I got some at Leake Bros. Co's Drug store. After taking two boxes, my back was strengthened and I felt better."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Caritey had. Foster-McBurn Co., Props., Buffalo, N. Y.

Rob Messenger Boy with Payroll; One Captured.

Chicago, Oct. 25.—Two of four armed automobile highwaymen stepped from a large green touring car in Diversey parkway, between North Paulina street and Hermitage avenue, and seized a box containing \$3,200 from the hands of William G. Groneman, seven years old, a messenger from the Lake View Trust and Savings bank. In their flight the robbers automobile skidded and crashed into the curbing, shattering the wheels. The robbers jumped out and ran. One was captured after a chase.

The money was recovered. It was found on the seat of the car. Young Groneman was on his way to the Library Bureau, a furniture and office device manufacturing concern. In the box was the firms weekly payroll.

The announcement was made by the state department following a visit from Sir Cecil Spring-Rice and Sir Richard Crawford, trade adviser to the British embassy.

Chloroform Owner of One of Long Island Show Places.

New York, Oct. 25.—One of the biggest robberies in years about New York was reported to the police when Frank Grey Griswold, prominent Wall street and sporting man, told of burglars entering his Long Island home and escaping with jewelry and silver valued at between \$80,000 and \$100,000.

Griswold, his wife and her daughter, Miss Mary Canfield, are believed to have been chloroformed by the robbers at the Griswold house, one of the show places of Long Island.

COL. ROOSEVELT AT DENVER

Makes Extended Address for Preparedness—Favors Lindsey.

Denver, Oct. 25.—On the same platform with the women of the Hughes special train, Theodore Roosevelt delivered his most detailed speech in favor of compulsory military training for all American citizens, and compulsory service in time of war for both men and women; denounced the preparedness measures of the Wilson administration as a sham; called the militia pay system a product of a lobby of the higher officers of the guard and a menace to the country, and finally outlined and defended the Hughes program for the development and improvement of American business. He demanded the return of the national guard to its former status. Colonel Roosevelt said he was for the election of Judge Ben B. Lindsey, and that the judge was the only supporter of President he is for.

OLD NAMES FOR CRUISERS

Alliance, Ranger and Others May Be in List of Ship Building.

Washington, Oct. 25.—The historic names, Congress, United States, Alliance and Ranger, probably will appear again in American navy lists with the naming of the four battle cruisers which are to be constructed. No final decision has been reached but it was learned that favorable consideration is being given to these four names, taken from famous frigates of earlier days.
